

# Help support Pittsfield public art!

Artscape is a volunteer-led committee that sponsors, plans and oversees annual juried exhibitions of public art in Pittsfield. Artscape's mission is to enhance the overall character of the city's downtown and attract visitors by installing and promoting works of art in various accessible outdoor locations throughout Pittsfield's Upstreet Cultural District. Current Artscape initiatives on display include murals, paintboxes and sculptures. The Artscape walking tour is an outdoor gallery that changes each year. Come experience Pittsfield through its artists and their works.

Through a generous donation in 2016 by lead sponsor Berkshire Money Management, Artscape has been able to provide stipends to local artists to paint more than 25 utility boxes in and around downtown Pittsfield. Events like a local art auction and grant funding from the Massachusetts Cultural Council and Pittsfield Cultural Council have supported the installation and maintenance of sculptures and our first Artscape-led mural, *The Sun Will Rise*, on the corner of North and Linden streets, with additional support from Mill Town Capital.

We want to do more! We hope to paint **ten additional utility boxes** this year, and have the goal of completing another mural. But **we need your support!**
