Project Description: The historic church building at 475 Tyler Street, the current home of the Berkshire Dream Center Church, is in need of masonry work to ensure the preservation of the building itself as well as provide a safe location for the many programs the building is used for. There are 16 areas in need of masonry repair work, ranging

in need and cost. Estimated Project Budget: The estimated project cost is based off of the scope of work previously prepared by LeGrand Masonry, but this time the official project budget has been approved and prepared by the local masonry company, Brazeau Masonry.

Where appropriate, signature of property owner (or City representative if City-owned) and/or chief executive officer of organization:

NOTE: This application enables the CPC to review the request to ensure eligibility and offer guidance. If eligible, an Application for Funding must be completed.
